## Welcome to 2011!!

Things have been chugging along at SYTE with the 2011 major production *Steam Island*, preparations for the end of semester performance and much more!!

I would like to start by wishing a very fond farewell to our Artistic Director Toni Main! Toni has been offered a position as the Artistic Director at Tantrum Theatre in Newcastle, and is packing her bags to leave this very minute – Congratulations Toni!!

I would also like to wish a huge congratulations and thank you to the cast and crew of *Steam Island*!! Roan Redelinghuys, Izzy Shaw, Bess Simper-Brown, Melanie Bennett, Roisin Murphy-Haines, James McFadyen and Lewis Collins have worked together fantastically, bringing the story of Armin Greder's *The Island* to life! The show could not have been half as amazing without the hard work and effort of Allye Sinclair, Luku Kuku, Danica Heitman-Wells, Craig Clifford, Cat Worth and Toni Main!! *Steam Island* is currently conducting it's regional tour and will be performing for the general public on April 2<sup>nd</sup>, email [info@syte.org.au](mailto:info@syte.org.au) or call 8384 67 44 for more information!!
